

**REMARKS**

The pending claims were rejected on the ground of nonstatutory obviousness-type double patenting as being unpatentable over the claims of U.S. Patent No. 6,806,812, or over the claims of U.S. Patent No. 7,253,737.

Without admitting the propriety of the rejection, Applicant respectfully submits terminal disclaimers herewith to overcome the rejection.

Thus, it is respectfully submitted that all of the Examiner's objections have been successfully traversed and that the application is now in order for allowance. Accordingly, reconsideration of the application and allowance thereof is courteously solicited.

Respectfully submitted,

Date: December 20, 2007
